“A Voice That Invites and A Voice That Heals”

Imagine entering the calm space of a 3-day retreat, offering the beauty of nature and the privacy of your own accommodations. Find yourself on a journey alongside an amazing group of women, diving deep within themselves to hear the voice of Christ, that same voice that speaks to all of us in a myriad of ways. Hearing His voice will heal us, call us, and unite us as women of faith rooted in the very Word of God.

We'll begin with a special activity before dinner on Friday evening and will finish by 2:00 Sunday afternoon. You will find the incredible beauty of the desert and the encompassing presence of the Holy Spirit to be refreshing to mind, body and soul. \$425 per person includes everything. Please join us, and reserve your spot soon.
